
E-Learning Package A

“Design of Biological Wastewater Treatment Plants”

Advanced Course Part I

Contents of the E-Learning Package:

- Module A-1: Introduction
- Module A-2: Organic Material and Bacterial Metabolism
- Module A-3: Influent Composition and Biomass Fractions
- Module A-4: Steady-State Activated Sludge Model
- Module A-5: Nitrogen Removal
- Module A-6: Final Settling
- Module A-7: Sludge Treatment and Disposal
- Module A-8: Integrated Design
- Module A-9: Summary

Included in the E-Learning Package are:

- Color handouts in PDF format (2 slides per page → +/- 850 slides E-Package A)
- One copy of the Handbook Biological Wastewater Treatment (hardcover)
- Excel sheet containing the calculations + answers to the module exercises
- Module test questions + answers
- Excel file containing symbol and parameter list
- Design sheets for three basic configurations of the activated sludge system:
 - Conventional secondary treatment (COD, BOD and TSS removal):
 - activated sludge system + final settler
 - sludge thickener
 - anaerobic digester
 - Enhanced secondary treatment (COD, BOD and TSS removal):
 - primary settler
 - activated sludge system + final settler
 - sludge thickener
 - anaerobic digester
 - Enhanced secondary treatment (COD, BOD and TSS removal):
 - activated sludge system (BDP configuration) + final settler
 - sludge thickener
 - anaerobic digester

Seagull Wastewater Consultants

Laan van Nieuw Oost Indië 224
2593 CC - The Hague - The Netherlands
0031-(0)70-3351832

Price

E-Learning Package A is priced at € 699,- (excluding VAT when applicable)

19% VAT is **only** due within the European Union. If you can provide your company VAT registration number (if you have one), no VAT will be charged.

If purchased together with E-Learning Package B (also priced at € 699,- ex VAT), a discount of 25% will be given:

Total price for combined purchase of E-Learning Packages A + B = € 1049,- ex VAT

Information and ordering

Contact us on info@wastewaterhandbook.com and indicate which course you would like to purchase (E-learning package A and/or B)

Supply the following information:

- Full name
- Company name (if applicable)
- Address + house number
- ZIP code (if applicable)
- City
- State (if applicable)
- Country
- Telephone number
- Company VAT number (if applicable - only required for companies based in EU)

Furthermore indicate your preferred means of payment”:

- bank transfer
- payment through PayPal

You will receive an order confirmation + invoice

Note that you do not need to have a PayPal account to be able to make one-time PayPal payments: you will receive a payment request and can pay to PayPal from your bank account or credit card. For more info on PayPal refer to www.paypal.com

Unfortunately we cannot not accept direct credit card payments (yet)
